The Parties may consult, agree on and implement temporary capacity adjustments in the Trade to deal with changes in seasonal demand and other changes in the Trade.

5.1.2 The Parties may consult, agree on or implement the joint purchasing (including chartering, hiring, establishment, use, scheduling, coordination and operation) of transshipment, barge, and/or feeder services in conjunction with linehaul vessel operations hereunder.

5.2 Reciprocal Slot Allocation

- 5.2.1 Regardless of whether Vessels are provided by one Party or more than one Party, the Parties hereunder may agree to (a) exchange Slots amongst themselves on their respective Vessels and/or on Vessels on which they have chartered space, and (b) agree on the number of Slots to be exchanged.
- 5.2.2 On such terms and subject to such operating limitations as (a) the Parties may agree, or (b) may be imposed by applicable law, each Party shall accept for transportation and transport any and all containerized cargo and equipment tendered to it by another Party up to its allocation, without any geographical limitations regarding the origin or destination of the cargo. As used in this Agreement, the term “equipment” includes, but is not limited to, containers owned or leased by the Parties, whether full, partially loaded or empty and other freight service equipment that the Parties may agree upon.
- 5.2.3 Each Slot Charterer and any slot sub-charterer may advertise sailings by Vessels on which the Slot Charterer is allocated Slots under this Agreement.
- 5.2.4 A Slot Provider who fails to faithfully perform its obligations hereunder shall hold the other Parties harmless from and indemnify the other Parties against any losses, claims or damage arising from such failure, including but not limited to such losses, etc. from cargo owners/insurers, including attorney’s fees and expenses. If either of the appointed arbitrators refuses to act or is incapable of acting, the Party who appointed him shall appoint a new arbitrator in his place.
